About HDHS

The Holt-Delhi Historical Society, a local organization founded in 2014, is dedicated to the preservation of history in the Holt-Delhi community while looking toward the future.

We would be thrilled to have you join us in our journey of historical discovery, as we uncover and document the stories of the people and events that molded the community that we live, work, and play.

When was Delhi Township established? Who is the North family? Do you remember Hitchens Drug Store?

How do you fit into the history of the Holt-Delhi community? You have your own "Slice of History" in Holt and we would love to have you join us in our historical ventures in our beloved community!
